

# FORT LAUDERDALE EXECUTIVE AIRPORT NOTICE TO NEIGHBORHOODS

## TEMPORARY CHANGE IN FLIGHT PATH

The City of Fort Lauderdale would like to provide our neighbors with the following information regarding air traffic at Fort Lauderdale Executive Airport (FXE).

The main east-west runway (Runway 8-26) at Fort Lauderdale Executive Airport (FXE) will be closed for routine maintenance work overnight from 10 p.m. to 6 a.m. August 5 through August 7, 2014 (weather permitting).

- 10 p.m. August 5 to 6 a.m. August 6
- 10 p.m. August 6 to 6 a.m. August 7
- 10 p.m. August 7 to 6 a.m. August 8 (if needed due to inclement weather)

During the closure period, the diagonal runway (Runway 13-31) will be utilized for aircraft operations. Neighbors living southeast and northwest of Executive Airport may notice a temporary increase in air traffic over their communities during this period.

The City of Fort Lauderdale encourages neighbors to call the Airport's 24-hour Noise Abatement Hotline at (954) 828-6666 to report incidents of excessively loud aircraft. Neighbors may also report aircraft noise using the online Aircraft Noise Reporting Form, located on the City's website at:
